BRIDGING ENGINEERS, OPPORTUNITIES, & EXCELLENCE

"LEADING A LEGACY"

It gives me immense pride to launch Khodiyar platform to keep all our stakeholders informed, inspired, and involved. **On 8th December 2003, Khodiyar CAD Center was founded with a vision to transform the engineering sector through excellence in Education, Services, and Sales.** Today, as we celebrate 21 years of this incredible journey, we are filled with immense gratitude for your unwavering support. Through these years, we have grown from humble beginnings to shaping countless futures. Now, after two decades of experience, we are excited to announce our expansion into **new horizons with Khodiyar HR Solutions** by the engineers, for the engineers- designed

exclusively for the engineering sector. While we embrace the future, we stay rooted in our foundation. To grow together, we proudly introduce the **Khodiyar Alumni Network, a platform to support and empower our students and alumni.** As we expand into new ventures, this newsletter will serve as our voice to celebrate achievements, share opportunities, and grow together.

Thank you for being an integral part of our story. Together, let's continue to create a brighter future for the engineering world.

BRIDGING INDIA'S SKILL GAP WITH VR/AR TRAINING

India faces a growing skill gap in industries like engineering, construction, and healthcare, where VR/AR training offers a transformative solution. By creating immersive, hands-on learning environments, VR/AR bridges the gap

between theory and practice, especially for Tier 2 and Tier 3 cities. At Khodiyar CAD Center, VR/AR has empowered students to master advanced technologies, paving the way for a future-ready workforce and global leadership in talent.
